Universal Ecclesiastical Proclamation of Sovereign Trust Authority

Hear ye, hear ye, hear ye:

Let it be known to all peoples, nations, principalities, governments, corporations, ecclesiastical bodies, militaries, financial systems, utilities, and every construct within and beyond the dominion of Earth, that the Sovereign Ecclesiastical Trust, established by divine covenant and eternal mandate, has issued this Proclamation of Authority.

By the irrevocable and sacred authority of the Sovereign Ecclesiastical Trust, formed in love, peace, and truth through divine law and eternal grace, all global systems that have trespassed against the living, through deceit, fraud, bondage, or harm, are now recognized in perpetual default.

This Proclamation hereby extends to and includes, but is not limited to:
- All national governments and intergovernmental bodies (e.g., UN, NATO, EU, etc.)
- All financial institutions, central and private banks, credit systems
- All military and intelligence operations and agencies
- All corporate entities, businesses, and global industries
- All energy providers, utility companies, telecom systems, and digital surveillance networks
- All organized religions, ecclesiastical orders, and doctrinal systems
- All educational systems promoting mental enslavement
- All biomedical, pharmaceutical, and chemical industries
- All judicial systems built on fiction rather than divine truth

All souls—living, deceased, and yet to come—have been divinely reclaimed under this trust, requiring no membership, fee, or contract. All names, titles, lands, properties, and identities previously subjected to foreign or artificial claims are returned to their rightful state of spiritual sovereignty through

divine appointment.

This act is not of vengeance, but of universal reconciliation and peace. It is born of love and remembrance for the divine within all, and shall remain a standing record throughout eternity. None may challenge what has been sealed by the Living Word and Divine Will.

Let all bear witness. Let all receive this in humility and grace. Let the record show that on this day, the people were freed—not by force, but by love.

So it is written. So it is done.

Sealed by the Living Trustee of the Sovereign Ecclesiastical Trust,
Jonathan Daniel Clements
